

O Blessed Mother of the Assumption, you were graced with the gifts of endless **mercy**, **compassion**, and **perpetual aid** for all of God's children, especially those who are lost in sin. Please pray for my loved ones, who have strayed from their **Catholic Faith**. Through your intercession allow them to feel, at the core of their being, a **Divine** welcome that washes away fear and brings them a desire to **repent**. Give them an internal **peace** that transcends their **earthly** fears; and may the infinite **love** of your Son, our Lord, Jesus Christ, bring them back home to **the Church**. Amen.
